Advance Dental Export (ADE), established in 2009 by visionary CEO Haresh Savani, has emerged as a premier [dental laboratory in India](#), renowned for our commitment to excellence in dental prosthetics and digital dentistry. With a team of over 400 skilled professionals, ADE has successfully completed more than 600,000 cases, earning the trust of over 3,500 dentists and 500 local partners globally.

Our state-of-the-art facility in Surat, Gujarat, India, is FDA-registered, ensuring adherence to international quality standards. ADE specializes in a comprehensive range of dental solutions, including porcelain-fused-to-metal crowns, advanced zirconia restorations, IPS e.max all-ceramic restorations, and customized dental implants.

Embracing the digital revolution, ADE utilizes cutting-edge technologies such as CAD/CAM systems, 3D imaging, and laser welding to deliver precise, aesthetic, and durable dental prosthetics. Our in-house production model guarantees faster turnaround times and

minimal adjustments, enhancing patient satisfaction. By integrating advanced digital workflows and maintaining a client-centric approach, Advance Dental Export continues to set benchmarks in the dental industry, redefining smiles with precision and artistry.
