DZIGNS architecture and interiors is actively engaged in the creation of contextually appropriate solutions within an increasingly changing world. Set up in Bangalore in 2001, it is a design studio focusing primarily on the fields of Architecture and Interior Design. Over the years the studio has thrived with an energetic team of architects led by Ar. Santhosh Kumar.S (Principal Architect).

The firm works at multiple scales and with various organizations right from private clients, government clients to corporate. This allows us to experiment and diversify our work: architectural & interior projects such as luxury villas, high end residences and unique offices, as well as hospitality & institutional projects. The core team at D ZIGNS consists of qualified and driven
