The website butterry is an [online cake](#) and party supplies store based in Bengaluru, India. It offers a wide range of products, including themed designer cakes, photo cakes, eggless options, and various party essentials like balloons, candles, and disposable tableware. The platform is designed to cater to diverse occasions such as birthdays, anniversaries, baby showers, and festivals, providing both same-day and midnight delivery services within Bengaluru.

Key Features:

Extensive Cake Selection: The site features a variety of cakes, including red velvet, chocolate, fruit, and butterscotch, with options for customization to suit different themes and preferences.

Party Essentials: Customers can purchase party supplies like hot chips, chocolates, balloons, and paper plates, making it a one-stop shop for event planning.

Special Offers: The website provides promotions such as "Buy 1 & Get 1 Free" deals and cake-flower combos, catering to budget-conscious shoppers.

User-Friendly Interface: The platform allows users to create accounts, manage wish lists, and track orders, enhancing the shopping experience.

Customer Support: Contact information is readily available, with hotlines provided for customer inquiries and support.
