Citizen Super Speciality Hospital is a multi-speciality healthcare facility located at 1st Line, Gaudiya Mattam Road, Gunturvari Thota, Kothapeta, Guntur, Andhra Pradesh - 522001. The hospital is committed to providing dependable medical care through accurate diagnosis, ethical treatment practices, and a patient-friendly approach. It caters to the healthcare needs of individuals and families from Guntur and nearby areas.

The hospital offers medical services across multiple departments with the support of qualified doctors, trained nursing staff, and essential diagnostic facilities. Citizen Super Speciality Hospital focuses on timely treatment, clear communication with patients, and appropriate medical decision-making. Each patient is assessed carefully, and treatment plans are planned based on clinical need rather than routine protocols.

Citizen Super Speciality Hospital handles both outpatient and inpatient services and supports patients requiring emergency care as well as planned consultations. The hospital environment is maintained to ensure cleanliness, comfort, and smooth patient flow. Emphasis is placed on follow-up care and continuous monitoring, especially for patients with chronic or long-term health conditions.

With a balanced approach that combines medical expertise and compassionate care, Citizen Super Speciality Hospital continues to

serve as a reliable healthcare provider in the Kothapeta area of Guntur.
