Since 2013, Classic Tenders has been the go-to place for businesses looking for info on tenders in India. We cover lots of different areas and offer all sorts of helpful services. Whether you want to get involved in government or private tenders, we've got you covered. We can help you with everything from giving you the lowdown on tenders to helping you sign up with Gem, checking out tender results, getting digital signature certificates, supporting you in bidding for tenders online, and helping you get registered as a vendor. So, if you're thinking about getting into tenders, we've got everything you need to get started!
