CliniExperts Services Pvt Ltd is a leading regulatory partner for registration and licenses. Multifold services we provide - regulatory services for food, cosmetics, medical devices, nutraceuticals, drugs, biologicals and biologic samples, legal metrology, narcotics, clinical trials, and more. CliniExperts is a market leader in regulatory services and licensing in India since last 12 years.

- Regulatory services for food: A deep understanding & knowledge of Product Compliances as per FSSAI for food and Health supplements makes us the preferred partner for all Food regulatory requirements.
- Cosmetic Registration: Our experts are aware of all documents and legislative formalities needed for Form 42.
- Drug Regulatory Services: Obtain the drug licenses from CDSCO and FDA smoothly with CliniExperts. Be it for API, bulk drugs, new drug launches, FDCs, import license or test license, we have you covered.
- Medical Devices Regulatory Services: Our experts guide you through medical devices authorization process, obtaining licenses, evaluating

performance, clarification from CDSCO, etc.

- Biological Sample - ICMR: Obtain all licenses from the ICMR (The Indian Council of Medical Research) for import and export of samples like blood, DNA, saliva, etc.
- Narcotics Regulatory Services: We assist our clients in obtaining the manufacturing license, import license, export NOC, precursor NOC, etc.
- Clinical trials: Get unbridled support through clinical trial journey by helping clients in research, sample collection, testing and statistical analysis support, etc.
- Legal metrology: Procure the necessary licenses for registration of import/manufacture, dealer, repairer, model approval, packaging, etc. For weighing and measuring instruments.

Authorized Agent Support: CliniExperts holds a valid Wholesale license and can act as an authorized agent or registration holder support in India.
