Corpseed is a leading business consulting firm specializing in EPR certification for [e-waste management](#). We help manufacturers, importers, and brand owners comply with **Extended Producer Responsibility (EPR)** regulations, ensuring eco-friendly disposal and recycling of electronic waste. Our experts handle documentation, compliance, and liaising with regulatory bodies, making the process seamless for businesses. Beyond e-waste, we offer EPR solutions for plastic, battery, and other waste categories. Additionally, our services include company registration, licenses, and regulatory approvals. Partner with Corpseed for hassle-free compliance and sustainable business practices.
