Makoons Preschool goal is to respond to the call of creating the emerging leaders of tomorrow. We are committed to impacting a synergy of skills, knowledge, and values in our little children to lend them their inner voice for the 21st century. We envision today's children as tomorrow's leadership icons. We have impacted a milestone departure from the teacher-led to the child-centric. Our learning environment enables each child to realize their unique learning style, while our futuristic methodology helps our children to discover their own creative and aesthetic potential.
