CuDel, which stands for Customer Delight Solutions, provides a wide range of [beauty salon at home](#) services. These services include massage, de-tan, waxing, threading, facial, makeup, bleaching, manicure & pedicure, and much more. We have a team of skilled and experienced beauticians who give all these services at home. Beauty experts use original and ISO-certified products while grooming customers. The quality products used by our beauticians ensure people's health and beauty. In addition, we offer customers a free consultation by our experts to resolve all their queries. Our motto is to make customers smart, confident and glamorous through our best-in-class services.
