Darks Security Consultant Private Ltd. is an ISO Certified leading security and integrated facility management service provider based in Kolkata and in Eastern India. The company was setup in the year 1999 and had its humble beginning from a small office in Bhubaneswar, Orissa. Today the company covers all the states of eastern India and is in the process of establishing offices nationwide to propel its next stage of growth.

Darks operates in various business verticals that include security management, integrated facility management, housekeeping, event security management, electronic surveillance, outsource payroll management and dedicated vehicle logistics services. We firmly believe that we can take care of any service that a business needs and strive to be a one stop solution.
