Looking for a Digital Marketing Course with Internship in Noida that helps you build real-world skills and start your career with confidence? At DigitalShell Academy, we focus on practical learning, live projects, and hands-on industry experience instead of outdated theoretical training. Our job-oriented curriculum is designed for students, freshers, working professionals, business owners, and freelancers who want to master modern digital marketing and AI-powered marketing strategies. During the course, you'll learn SEO, Google Ads, Meta Ads, Social Media Marketing, Content Marketing, Email Marketing, AI Tools, WordPress, Google Analytics, Lead Generation, E-commerce Marketing, and Performance Marketing through live campaigns and real client projects. After the training, you'll gain valuable industry exposure through an internship where you can work on real business projects, strengthen your portfolio, and improve your job readiness. DigitalShell Academy also offers career guidance, resume building, interview preparation, and placement assistance to help students confidently enter the digital marketing industry. The academy emphasizes practical training, live projects, internship opportunities, and placement support as key parts of its programs.
