DSB India is one of the [top international schools in Mumbai](#) that offers top-notch education and an international curriculum. We are the oldest international school in Mumbai and have some of the most modern, cutting-edge facilities. Our global curriculum empowers students to achieve success in the future.

The DSB provides a global-minded learning environment where each student's academic knowledge, personal qualities, and abilities are developed. At DSB, we offer the Cambridge Assessment International Education (CAIE), the best [IGCSE board syllabus](#) and IB Diploma program in Mumbai. Students are expected to study ten subjects with an emphasis on diversity which is considered most favourable by universities and ensures good preparation for studies in grades 11 and 12 at the IB Diploma. All our students are encouraged to develop a growth mindset so that they can become knowledgeable, skillful, resilient, and alert, and thus more prepared to face the challenges of life.
