"Introducing the best tea manufacturer in Assam Uphaar Tea. Since 1948, our tea legacy has thrived. In 1988, we introduced packaged teas, and in 1993, Dugar Consumer Products Private Limited (DCPPL) was established, exclusively for blending and packaging.

What sets us apart? Our state-of-the-art blending unit and tea-testing facility, coupled with over 30 years of experience, make us a leader in the industry. Our premium packaging meets Tea Board of India standards, preserving the freshness of teas. We offer a range of high-quality teas serving over 35+ blends and setting up a specialty tea brand named Te.Cha Tea."
