Epoch Assisted Living Homes provide holistic, Person Centered Care that enables elders to have the highest quality of life. At Epoch, the team believes in focusing on the person as much as the medical condition. Epoch offers [assisted living](#), dementia care, dementia day care, [Parkinson's disease care](#), palliative care and recovery & rehabilitation to elders in need of 24x7 care and assistance. They normalise the life of elders with chronic conditions, using Person-Centered Care.
