We are a leading supplier and wholesaler of high-quality fan capacitors and motor capacitors in Kukatpally, Hyderabad. Our range includes oil-filled capacitors and dry capacitors suitable for ceiling fans, exhaust fans, air coolers, and electric motors. We deal in trusted brands like Tibcon capacitors, known for their durability, stable performance, and long operational life.

These capacitors are designed to ensure efficient power usage, smooth motor functioning, and enhanced appliance performance. Ideal for residential, commercial, and industrial applications, our products meet industry standards for safety and reliability.

If you are searching for “fan capacitor dealer in Hyderabad”, “motor capacitor wholesale supplier”, or “Tibcon capacitor distributor near me”, Garg Power is your trusted destination. We offer bulk supply, competitive wholesale pricing, and quick availability for retailers, electricians, and contractors.
