Goral Gandhi is a renowned Consultant Clinical Embryologist and IVF specialist based in Mumbai with over 25 years of experience. She's the founder and scientific director of Global IVF & Fertility Center, a leading IVF & Fertility clinic in Mumbai. She excels in a wide range of IVF services, including IVF for older women, donor egg IVF, ICSI, egg freezing, and frozen embryo transfer. Beyond her professional achievements, Goral Gandhi has a strong passion for helping stressed couples fulfill their dreams of becoming parents. Her goal is to work with couples & keep them informed and up-to-date to help them achieve their goals faster and make the journey as pleasant and stress-free as possible.
