Grand Columbus International School is a CBSE-affiliated senior secondary school located in Sector 16A, Faridabad, Haryana. Established in 1994, the school offers education from the early years through Grade 12 and provides a balanced learning environment that combines academic development, modern teaching approaches, technology, sports, activities and holistic student development. The school serves families in Faridabad and the surrounding Delhi NCR region.

Grand Columbus International School follows a CBSE curriculum and focuses on building a strong academic foundation while preparing students for a changing world. Learning experiences encourage critical thinking, creativity, communication, collaboration, problem-solving, leadership and independent thinking. The school's educational approach aims to help students grow in confidence while developing the knowledge and skills required for higher education and future opportunities.

Technology and innovation are an important part of the learning

environment. Students have opportunities to explore robotics, technology-based learning and Atal Tinkering Lab initiatives. These experiences encourage curiosity, experimentation, innovation and practical problem-solving, helping students connect classroom concepts with real-world applications.

Education at Grand Columbus International School extends beyond academics. Students can participate in sports, performing arts, cultural activities, clubs and other extracurricular programs. These activities provide opportunities to develop teamwork, discipline, communication, confidence, creativity and leadership while encouraging students to explore their individual interests and abilities.

The school provides modern learning facilities designed to support classroom education and broader student development. A balanced combination of academics, technology, sports, performing arts and extracurricular learning creates opportunities for students to develop intellectually, physically, socially and emotionally.

Grand Columbus International School is a suitable choice for families searching for a CBSE school in Faridabad, a senior secondary school in Faridabad, a private school with extracurricular activities, a school offering robotics and technology learning, or a future-ready educational environment. Located in Sector 16A, the school provides a convenient educational option for families in Faridabad and the wider Delhi NCR region.

The school's educational philosophy emphasizes holistic development rather than academics alone. Students are encouraged to become curious learners, responsible individuals, effective communicators and confident participants in their communities. Through academics, sports, technology, arts, activities and life-skill development, Grand Columbus International School aims to create meaningful learning experiences for students throughout their school journey.
