Founded in April 2013 as Missing Dog Helpline, Hachi.dog has grown to host India's largest database of lost and found dogs. Over nine years, we've reunited countless dogs with their owners and developed a comprehensive directory of verified pet-related service providers.

Our Services:

Lost & Found Dog Listings:

Access the largest database of lost and found dogs in India.

Free and premium listing options are available.

Pet-Related Business Listings:

Explore a vast directory of pet businesses, including pet shops, grooming, training, and veterinary services.

Listings available in both free and premium categories.

Visit our website for more information and explore heartwarming reunion stories, pet articles, and our extensive service directory. Our mission is to reunite every missing dog with its owner as quickly as possible.
