At HFZ – [Hair Fixing Zone](#), we understand that no two clients are ever exactly alike; men and women come to us faced with different needs and goals and budgets. So it's our job to help them identify the best solution for them. That's why everything we do begins with a FREE consultation. We invite clients to meet one-on-one, in one of our stylish relaxing studios, where we'll briefly evaluate your scalp condition, talk with you about your needs, and point you toward some potential solutions.
