Hindustan Scale Company is a trusted name since 1955, offering a wide range of high-quality electronic and mechanical weighing solutions from pocket-precision and table-top scales to heavy-duty crane, platform and industrial scales. Combining robust in-house manufacturing, a dedicated R&D and technology division, and exemplary after-sales support, they deliver reliable, accurate scales spanning capacities from 0.01 mg to 100 metric tons all built under strict quality control.
