The [HP ProBook 440 G8 i5 11th Gen](#) is a professionally refurbished laptop available at EazyPC, offering dependable performance for work, study, and everyday tasks. Equipped with an Intel Core i5 11th Generation processor, SSD storage, and a 14-inch Full HD display, it supports efficient multitasking, office productivity, online learning, and virtual collaboration. Its durable business-class design is built for regular use, while the lightweight form factor makes it easy to carry between home, office, or campus. Every laptop is carefully inspected, cleaned, and tested to ensure reliable operation. EazyPC provides quality refurbished laptops that deliver practical performance, long-term value, and an affordable computing solution for a wide range of users.
