Explore the future of unmanned aerial systems and aerospace technology at IDAC Expo, India's premier platform for drone innovation and integration. Held annually in India, IDAC Expo brings together industry leaders, enthusiasts, and innovators to showcase the latest advancements, discuss regulatory frameworks, and network with like-minded professionals.

At IDAC Expo, attendees can expect a comprehensive program featuring keynote speakers, panel discussions, workshops, and live demonstrations highlighting the diverse applications of drones across sectors such as agriculture, infrastructure, defense, and emergency services. The event provides a unique opportunity to gain insights into emerging trends, discover cutting-edge technologies, and explore collaborations that are shaping the future of aerial technology.

The expo floor at IDAC Expo hosts leading drone manufacturers,

software developers, service providers, and research institutions, offering a firsthand look at state-of-the-art drones, components, and software solutions. Whether you are looking to expand your industry knowledge, connect with potential partners, or showcase your innovations, IDAC Expo provides a vibrant environment to facilitate learning and collaboration.

Beyond its role as a conference and exhibition, IDAC Expo serves as a catalyst for advancing the drone ecosystem in India and beyond. It fosters dialogue among stakeholders, promotes technological advancements, and supports the development of regulatory frameworks that enable safe and innovative drone operations.

Join us at IDAC Expo to be part of the conversation driving the future of aerospace technology. Visit our website to learn more about our upcoming events, register as a participant or exhibitor, and contribute to the evolution of unmanned aerial systems at IDAC Expo.
