"IM Buildcon is a popular brand name amongst the finest [real estate builders in Mumbai](#) known for their dedication, innovation, lucidity, professionalism and excellence amongst a ton of other adjectives that any real estate company in Mumbai must be associated with. The company has a high benchmark of erecting excellent residential and commercial construction projects spread across the prime areas in Mumbai, Palghar & Chennai, delivering many important landmarks in the cities.

Since its establishment in 2011, IM Buildcon and team has inexorably worked towards constructing apartments in Mumbai that meet high-class standards, as a result of which gives an altogether different element to the architecture in Mumbai. It's latest luxurious project known as Applaud 38, is one of the high-level residential projects in Mumbai offering 1 & 2 BHK apartments in Goregaon for those looking to buy or invest in palatial living spaces at reasonable prices.
