Learning Routes is an official authorized enrolment partner of NarseeMonjee Global Access School of Continuing Education (NGASCE) for NMIMS distance learning programs. We provide a broad range of management and techno-management programs in Human Resource, Finance, Business, Retail, Marketing, International Trade, Banking and Finance, Operations, IT and Systems, Artificial Intelligence, and Machine Learning.

[Learning Routes](#) has assisted more than 7200+ students to climb the corporate ladder with necessary upskilling from masters, diplomas, executive, and certification programs in different fields. The program modules are carefully designed for experiential learning which includes virtual interactive sessions, peer interaction, immersive learning experience, and assistance from the student carer support team.
