With all the health care services, Shree Mahavir Jain hospital is the best hospital in thane. We provide OPD Services for every department and hence we are called as multispecialty hospital in thane.

Founded in the year 2019, Mahavir Jain Hospital (SMJH) is one of the best hospitals in Thane that aims to provide the best possible cost-effective Health Care to people with ultramodern techniques and equipment. It is a joint initiative of the Thane Municipal Corporation and JITO Educational and Medical Trust.

A 90-bedded multi-specialty hospital and one of the best healthcare hospitals in Thane, has been the trademark of international quality healthcare standards. The hospital comprises a highly skilled team of professional doctors, consultants and a well-trained staff with their own set of expertise in the medical field.
