Moira Sariya was established in Madhya Pradesh for the manufacturing of iron and steel products in 1987. Today, we are one of India's leading manufacturers and suppliers of high quality TMT bars. Moira has always looked at challenging, changing, and evolving its processes through continuous innovation, critical skill development, and adopting the latest manufacturing and management practices. Our excellent marketing strategies have led us to institute ourselves as the market leaders of CRS TMT bars in Central India. Moira has thus developed itself as a trusted brand through its automated and innovative engineering, commitment to quality, capable workforce, and extensive dealer and distributor network.
