[Nat Habit](#) is a fast-growing D2C personal care brand that combines the wisdom of Ayurveda with modern science to innovate superior quality products that are 100% Natural without the need for any chemicals whatsoever. The products are prepared via authentic Ayurvedic methods such as slow heat infusions, slow decoctions, deep soaking, etc. The ingredients used are fresh milk, yoghurt, flowers, herbs, oils, butters, pulps, and juices of fresh fruits and vegetables. The brand makes its products FRESH in its ayurvedic kitchen as soon as the order is placed without any chemicals or preservatives and delivers fresh products to its consumers at their doorstep.
