Finding the right [Neuropsychiatrist in Patna](https://indiafinder.in/detail/neuropsychiatrist-in-patna-ex-aiims-patna-former-pmch-specialist-23514) is important when dealing with conditions that affect both the brain and mental health. Dr. Vivek Pratap Singh, an **Ex-AIIMS Patna doctor** and **Former PMCH Specialist**, provides comprehensive neuropsychiatric care at **Pratap Neuro & Child Psychiatry Clinic**. He offers expert evaluation and personalised treatment for dementia, epilepsy, headaches, anxiety, depression, OCD, ADHD, autism spectrum disorder, sleep disorders, addiction, bipolar disorder, schizophrenia, and other neuropsychiatric conditions. Every patient receives a detailed assessment before an individualised treatment plan is developed using evidence-based medical practices. At Pratap Neuro & Child Psychiatry Clinic, the focus is on accurate diagnosis, compassionate care, and long-term recovery, helping children, adults, and senior citizens improve their brain health, emotional well-being, and overall quality of life.
