Dr. M.S. Siddiqui is a highly respected and award-winning healthcare professional known for his commitment to improving the physical, emotional, and personal wellbeing of his patients. With over 12 years of dedicated clinical experience, Dr. Siddiqui has become a trusted name in the field of holistic health, [men's wellness, and relationship counseling](#). His approach combines modern medical science with traditional care, offering a complete solution for those seeking better health, confidence, and quality of life.

He is the founder and lead consultant at Nisha Health Care Clinic, one of the most reputed wellness centers in Barabanki and Lucknow, Uttar Pradesh. The clinic is built on a mission to provide confidential, compassionate, and result-oriented healthcare to every individual. Over the years, thousands of patients have found comfort and recovery under his expert guidance.
