Leading rehab center and mental hospital in Pachane, Pune, offering top mental health rehabilitation services for over 20 years. Nityanand Institute of Medical Sciences & Rehabilitation Centre has treated 60K+ patients, operating 24/7, 365 days a year, with a 500-bed capacity and 100+ dedicated professionals. Specializing in de-addiction, dementia care, schizophrenia, and drug treatment, we offer comprehensive recovery programs for alcohol and substance abuse. Led by Dr. Nitin Dalaya, our team of psychiatrists, psychologists, and therapists provides personalized care for conditions like depression, bipolar disorder, OCD, and Alzheimer's diagnosis.
