Welcome to [Odd Infotech](#) Services, your one-stop solution for all your embroidery digitizing, vector art, graphic design, and custom patch needs. Based in the USA, with a presence in the UK, European countries, and India, we pride ourselves on delivering top-notch services to our global clientele.

[Embroidery Digitizing](#): Whether you need logo embroidery digitizing, applique embroidery digitizing, 3D puff embroidery digitizing, anime embroidery digitizing, or the conversion of any image into embroidery, we've got you covered. Our skilled team ensures precise and high-quality digitization to bring your designs to life on fabric.

[Vector Art Services](#): Transforming your designs into scalable vector artworks is our expertise. From vector art for screen printing to converting JPGs and PNGs into vector formats, our professionals deliver clean and crisp vector illustrations tailored to your specifications.

[Graphic Design Services](#): Elevate your brand with our professional graphic design services. Whether it's flyer design, logo design, brochure design, or catalog design, our creative team crafts visually

stunning designs that capture attention and leave a lasting impression.

Custom Patches: Stand out from the crowd with our custom patch services. We create bespoke patches that showcase your unique style and identity, perfect for businesses, organizations, teams, and individuals looking to make a statement.

At Odd Infotech Services, we are committed to excellence, creativity, and customer satisfaction. Let us bring your ideas to life with our unparalleled range of services. Get in touch with us today to discuss your project needs!
