Omega Cold Press Juicer, a flagship product from Omega Juicers, revolutionizes the art of juicing. With its state-of-the-art technology, this appliance extracts juice from fruits and vegetables by gently crushing them, preserving their natural flavor and nutrients. Its low-speed mastication process minimizes heat build-up, minimizes oxidation and ensures long-lasting, fresh juice. Featuring a powerful motor and dual-stage extraction, it efficiently processes a wide range of ingredients, from leafy vegetables to hard produce. The user-friendly design includes a wide feed chute, making prep work easy. Very easy to clean due to easy to dismantle components. Omega Cold Press Juicer epitomizes the commitment to being health conscious, providing not only delicious juiciness but also better health. Enhance your daily nutrition with this extraordinary juicing appliance.
