Balaji Sports, one of India's first well-known synthetic acrylic sports flooring materials manufacturers. Pacecourt, a prominent brand delivers high-quality flooring material worldwide. Suitable for all forms of outdoor sports, recreational activities, and decorative surfaces. Sports such as tennis, badminton, Basketball, Volleyball, Skating, Walking tracks, Pickleball, and multi-purpose court.

Our state-of-the-art manufacturing facility stands fully equipped to produce ITF and ISO Certified sports coating products. Each product results from numerous hours of research and development to assure durability, athlete, comfort, playability, and customer affordability. Our nationwide channel partners and distributors, distribute our outdoor court items throughout India. Moreover, Pacecourt products made of acrylic resins are a well-balanced mixture of highly durable adhesion-promoting acrylic resins. Our products also have great UV resistance, and exceptional wearability and color retention.
