PGX Auto Accessories believes that “It’s the journey that matters, not the destination”. Some people use a motorcycle for commuting while some use it for travelling. The latter ones seem to be enjoying it more. This quote plays a crucial role in the life of a biker. A biker’s life is all about TRAVELLING, TRAVELLING, and MORE TRAVELLING.

Having a family business of two wheeler accessories since 1972, in the year 2011, I started a new company named 'PGX AUTO ACCESSORIES'. After having an experience of good ten years in the heart of Asia's biggest market of two wheeler parts and accessories now our aim is to serve customer online all across India, we have a wide range of more than one thousand products under one roof. . Our motive is to give you an interactive journey of our new and used inventory. PGX Auto Accessories began its adventurous journey back in 2011 with a perception of empowering and facilitating the motorcycling scene in India. Biking gives us a sense of freedom and we usually enjoy every second whenever we are on our bikes. We have been working fruitfully since 2012 and have been considering to the retail needs of all the

motorcyclists across the country. A lot of people call us crazy and insane because of our immense love for motorcycles. But people like us have a world of our own. PGX Auto Accessories family is very passionate about motorcycles and travelling the world, we literally breathe bikes. We have also started manufacturing several products in our country under Make in India program initiated by our honourable PM Modi Ji which will lead our economy to do well in future.

We appreciate you taking out the time to visit our website. We go through immense factory training so that we may bestow you with the enlightenment you need to make an informed decision in selecting the vehicle that is accurate for your lifestyle. We, with our strong competence and enthusiastic team aims on acknowledging the love for riding by reaching out and bringing you standard add-ons for all bikes at the affordable price possible.
