[PIMA Controls Pvt. Ltd.](#) is a leading industrial automation company in Ahmedabad, Gujarat, offering AVEVA SCADA, Rockwell Automation, and Schneider Electric solutions. We specialize in PLC systems, VFD control panels, and electrical panel manufacturing for industries.

We are a leading provider of industrial automation and electrical solutions, specializing in Aveva SCADA Software, Rockwell Automation, Schneider Electric products, and advanced panel manufacturing services across India and international markets. Our expertise includes delivering reliable Aveva SCADA Software solutions in Tamil Nadu, Aveva Software in India, and customized Aveva software solutions tailored to industrial needs. We also support businesses with trusted distribution services, including Aveva SCADA Software distributors in Telangana, Aveva solutions providers in Karnataka, and Aveva automation solutions in Kerala.

In addition, we offer complete Rockwell Automation products and services, catering to industries across Gujarat, Rajasthan, and global markets like Morocco. Our portfolio includes Rockwell Automation distributors in Gujarat and Rajasthan, Rockwell Automation dealers, suppliers, and service providers, ensuring seamless integration and

support.

We are also associated with global automation brands, providing Hitachi drives, variable frequency drives (VFDs), UPS systems, and automation solutions in Morocco, along with reliable distribution for HMS Networks products.

As a trusted Schneider Electric authorized distributor, we supply high-quality electrical components and solutions. If you are looking for a Schneider authorized distributor in Ahmedabad, Schneider Electric products supplier, or Schneider distributor, we provide genuine products backed by technical expertise.

Our core strength lies in panel manufacturing, where we design and build high-performance drive panels, VFD control panels, and electrical panels. Recognized as a top panel manufacturer in Ahmedabad and Gujarat, we deliver customized solutions including drive control panels, VFD panel manufacturing, and industrial automation panels that meet industry standards.

Whether you need a drive panel supplier, VFD control panel in Ahmedabad, electrical panel manufacturer, or a reliable panel manufacturing company, we ensure quality, innovation, and customer satisfaction in every project.
