At Prerana Hospital, established in 2013 and located in Mysuru, we are dedicated to tackling psychiatric disorders through early identification and holistic treatment. We strive to close the gap in mental health care by diagnosing issues early and offering comprehensive treatment. Our focus includes raising mental health awareness, improving access to qualified professionals, and ensuring timely and effective care. Additionally, we offer advanced IVF solutions to help with fertility issues. By addressing these challenges, Prerana Hospital aims to reduce the suffering and disease burden caused by psychiatric disorders, creating a healthier and more supportive society
