"Provenance Play School is dedicated to providing a safe, stimulating, and fun-filled learning environment, making it the [best play school in Sonipat](#). Our pre school in Sonipat emphasizes holistic development, nurturing each child's cognitive, emotional, social, and physical growth through age-appropriate activities and creative learning methods.

At Provenance Play School, we understand the importance of early childhood education in shaping a child's future. Our experienced teachers use innovative teaching techniques, interactive play, and hands-on learning to build curiosity, confidence, and essential skills in young learners. The school also provides a safe and hygienic environment, ensuring children feel comfortable and motivated to explore and learn.

From story sessions and art activities to foundational academics and social development, our curriculum is designed to prepare children for a smooth transition into primary school while keeping learning joyful and engaging. Provenance Play School is committed to fostering a love

for learning in every child, making it a trusted pre school in Sonipat for parents seeking quality early education."
