Established in 1969, our group has been proudly associated with M/s Reliance Industries Ltd (RIL) for over five decades. We are privileged to represent RIL as Del Credere Agents (DCA) for their esteemed Petrochemical Division, specializing in Polypropylene (PP), Polyethylene (PE), and Polyvinylchloride (PVC), as well as their Elastomer Division, catering to products such as Poly Butadiene Rubber (PBR), Styrene Butadiene Rubber (SBR), and Butyl Rubber. In addition to our partnership with RIL, we serve as the pan-India Super Stockist for Polyester, BOPP & CPP Films for Jindal Polyfilms Ltd, further solidifying our presence and expertise in the industry. Our core focus lies in being a comprehensive chemical/polymer supply chain company, dedicated to fulfilling the raw material needs of the polymers, plastics, packaging, rubber, and other chemical industries. As a responsible entity, we place a strong emphasis on environmental sustainability. Thus, we are actively involved in the supply and manufacturing of bio-degradable raw materials and finished goods, contributing to a greener future. Headquartered in Hyderabad, India, our global footprint extends through strategically located branch offices across the world, ensuring seamless operations and exceptional service to our clients worldwide.
