Popular Services:

### 1. Private Limited Company Registration

A [Private Limited Company](#) is a type of privately held small business entity, in which owner's liability is limited to their shares, the firm is restricted to having 200 or fewer shareholders, and shares are prohibited from being publicly traded. Private Limited Company registration in India is governed by the Ministry of Corporate Affairs (MCA), Companies Act 2013, and Companies Incorporation Rules, 2014

### 2. LLP Registration

[LLP](#) or Limited Liability Partnership is a type of business organization that gives benefits of limited liability of a company and the flexibility of a partnership. The concept of LLP was introduced in the year 2008-2009 and since then it has become popular among entrepreneurs. It is generally favourable for small and medium-sized enterprises, organizations in the service sector, and professional firms.

### **3. Trademark Registration**

Intellectual Property Rights are a very important asset class for any business, startup, or enterprise. Developing and protecting intellectual property such as Trademark, Patent, Designs, and Geographical Indication (GI) with proper registration can help them to gain a competitive advantage. It is essential to obtain [trademark registration](#) for the business name/trade name under the Trademarks Act 1999.

### **4. GST Registration**

GST stands for Goods and Services Tax which is charged on the supply of goods or services or both in India. A business entity or a person liable to charge GST must first obtain [GST Registration](#) and get registered under GST Law. On successful registration, a unique 15-digit registration number is assigned to the business entity, known as the Goods and Services Tax Identification Number (GSTIN). Without GST registration, a person can neither collect tax from his customers nor claim any input tax credit of tax paid by him.

### **5. Annual Compliances for Private Limited company**

[Annual Compliance](#) is all about book-keeping and accounting, auditing, holding meetings of directors and members, regular filing of annual returns, financial statements, Directors KYC, payment of taxes, and other compliances as required from time to time. Every private limited company incorporated in India irrespective of its size and turnover has to carry out annual compliances as applicable to it.

### **6. Annual compliances for LLP**

[Annual Compliance of LLP](#) is all about book-keeping and accounting,

auditing, payment of taxes, regular filing of annual returns, financial statements, Designated Partners KYC and all other compliances as are required from time to time. Annual Compliance for LLP includes mandatory legal compliances with various government authorities like MCA, Income Tax Department, GST Department, etc. under various laws.

## **7. Startup India Registration**

The [Startup India](#) program is an initiative launched by the Government of India on 16 January 2016 to support people who want to start their own business. The main objective of the Startup India Program is to build a strong ecosystem for nurturing innovation and building Startups in the country that would drive sustainable economic growth and generate large-scale employment opportunities.

## **8. Income Tax Return Filing**

[Income Tax Return](#) (ITR) is a form which is filed by every person holding valid PAN, providing information about the income earned and tax applicable to the income tax department. Filing of income tax return is mandatory for an individual person, Proprietorship, Partnership Firm, LLP, Company, Trust or any other person whose income is chargeable to tax. ITR is generally filed for a respective financial year by a person to declare his income, expenses, tax deductions, investments, taxes etc.
