Sage & Soul is an India-based herbal wellness brand creating thoughtfully crafted herbal infusions and natural wellness products inspired by Ayurveda and traditional botanical knowledge. The brand brings together carefully selected herbs, flowers, spices, and plant-based ingredients to create convenient wellness rituals for modern lifestyles. Sage & Soul's range includes herbal wellness infusions and floral teas featuring botanicals such as tulsi, moringa, hibiscus, chamomile, butterfly pea, rose, jasmine, fennel, ginger, and other traditionally valued ingredients. With a focus on quality, mindful formulation, ingredient transparency, and contemporary presentation, Sage & Soul aims to make traditional herbal practices more accessible and enjoyable for everyday consumers. The brand serves customers across India through its online store and expanding e-commerce presence. Sage & Soul is building a modern Indian herbal wellness brand that connects traditional botanical wisdom with contemporary consumer preferences, offering plant-based beverage and wellness choices designed for simple, enjoyable everyday routines.
