Sahasra Ortho and Neuro Centre is a leading orthopedic hospital in Guntur, committed to delivering high-quality, specialized care in orthopedics and neurology. Headed by Dr. Siva Kumar Mamillapalli, one of the best orthopedic surgeons in Guntur, the centre is known for its expertise in treating joint, bone, spine, and sports-related injuries through advanced and minimally invasive techniques.

Dr. Siva Kumar Mamillapalli is a highly experienced orthopedician and arthroscopy specialist with a strong focus on knee, shoulder, and sports injury management. His patient-first approach, combined with evidence-based practices, ensures accurate diagnosis, effective treatment, and faster recovery for all age groups.

Sahasra Ortho provides comprehensive services such as arthroscopic surgery, fracture care, ligament repair, joint replacement, sports injury rehabilitation, and neuro consultations. The hospital is equipped with advanced diagnostic and surgical technology to offer world-class orthopedic and neuro care under one roof.

Patients choose Sahasra Ortho for its excellence in clinical outcomes,

personalized treatment plans, and a compassionate environment that supports healing. Whether you're dealing with chronic joint pain, trauma, or a sports injury, Sahasra Ortho and Neuro Centre stands as a dependable choice for orthopedic care in Guntur.

If you're searching for the best orthopedic hospital in Guntur or need consultation from the top orthopedic surgeon in Guntur, Sahasra Ortho is your trusted destination for advanced, affordable, and ethical healthcare.
