For over 20 years now, PressureJet Systems Pvt. Ltd. has been relentless in its pursuit to provide best-in-class products and services to its valued clients. In this process, it has far exceeded the benchmarks set by other manufacturers in the Indian sub-continent. As a company, we manufacture the widest range of high pressure triplex plunger pumps - from 60 bar to 1400 bar pressure. This range meets the requirements of most clients across applications in all industries. We provide solutions in hydro jetting, Hydro Blasting, high pressure cleaning, hydrostatic pressure testing, sewer jetting, fire-fighting, misting and fogging, paint and rust removal among many others.
