Shyam Group is a reputed real estate developer headquartered in Ahmedabad, Gujarat, specializing in affordable residential plots and strategic land development in Dholera SIR, India's first planned smart city. Established in 2013, the company has developed more than 1.23 million sq. ft. of land and continues to expand its footprint with thoughtfully planned projects located near major infrastructure corridors, including highways, proposed metro routes, industrial zones, and trade centers.

With a strong focus on quality construction standards, transparent documentation, and timely project delivery, Shyam Group has built long-term credibility in the real estate sector. Every project is designed to offer clear-title properties, well-planned layouts, and future growth potential aligned with government-led development initiatives in the Dholera Special Investment Region.

Backed by an experienced and professional team, the company

provides end-to-end customer support-from property selection and documentation to resale assistance-helping investors maximize returns and secure high-value opportunities. Committed to sustainable growth and long-term value creation, Shyam Group remains a trusted partner for homebuyers and investors seeking reliable, high-potential land investments in one of India's most promising development zones.
