SI-BIOARTIS (Siyanvika Institute of Bioartis) is a specialized clinical embryology institute located in Udaipur, Rajasthan, India, focused on education and practical training in Clinical Embryology, Assisted Reproductive Technology (ART), IVF laboratory techniques, and Andrology. In academic collaboration with Janardan Rai Nagar Rajasthan Vidyapeeth (Deemed-to-be University), the institute offers programs designed for students and graduates interested in reproductive science and fertility laboratory careers.

SI-BIOARTIS offers a range of educational programs, including B.Sc. in ART & Clinical Embryology, M.Sc. in ART & Clinical Embryology, P.G. Diploma in ART & Clinical Embryology, and specialized certificate and diploma courses in Andrology. Its training approach combines academic learning with practical exposure to embryology laboratory procedures, gamete handling, sperm preparation, embryo culture, cryopreservation, micromanipulation, and IVF laboratory practices.

With guidance from experienced faculty and clinical embryology

professionals, SI-BIOARTIS aims to help students develop essential scientific knowledge and laboratory skills for career opportunities in IVF centres, fertility clinics, hospitals, and reproductive medicine laboratories. The institute also provides admission guidance and placement support to eligible students.

Located at the Pharmacy College Building, Ground Floor, JRNRVU, Pratapnagar, Udaipur, Rajasthan – 313001, SI-BIOARTIS welcomes aspiring clinical embryologists seeking information about embryology courses in India, course eligibility, practical laboratory training, and career pathways in Assisted Reproductive Technology.
