Simplex Steel Industries is an ISO 9001:2008-certified manufacturer and exporter of a wide range of pipe fittings, flanges, tubes, bends and forged components. We specialize in high-quality stainless steel, carbon steel, alloy steel, duplex, super-duplex and high-nickel alloy products including buttweld fittings, forged fittings, long-radius bends, flanges, pipes & tubes, and round bars. Serving global clients across petrochemical, oil & gas, power, chemical and industrial sectors, we deliver durable, precision-engineered components at competitive prices, with customizable solutions and reliable worldwide shipping.
