Study and Work Abroad is operated by AVF Consultants, a trusted study abroad and overseas education consultancy. We specialize in guiding individuals through the process of studying and working abroad, having had a success rate of more than 95% with all the students we have worked with.

With a focus on providing comprehensive support, AVF Consultants assist students in choosing suitable educational institutions and programs, as well as offering information on work-study opportunities. Their expertise lies in facilitating access to quality education, international exposure, and future career prospects for students.

Alvito Fernandes is an experienced study abroad counselor and entrepreneur, with a passion for mentoring students. With an MBA graduate class of 2002 and a Harvard Alumni on Entrepreneurship in Emerging Economies, he is well-equipped to provide expert guidance. As an ICEF certified agent, he has been recognized as Agent of the Month by Study Group UK and acknowledged as a preferred partner in Mumbai for GUS Canada. Alvito's work has had a significant impact on

the lives of students, as evidenced by the testimonials of those he has helped study and migrate abroad. His straightforward and matter-of-fact advice, based on extensive industry experience and research, has earned him the trust of his clients. With a strong commitment to his students' best interests, Alvito's counseling is always aimed at preparing them to face any challenges they may encounter. His wealth of experience and constant learning from past students' experiences enable him to provide comprehensive guidance on various countries and courses.
