We strongly believe in innovation in Healthcare Services, Telemedicine Services and TeleICU Services is at the core of our belief.

Founded by a group of Intensive Care Specialists in 2015 with a vision to make specialized ICU care available to everyone.

We specialize in remote delivery of healthcare services in a “Hub and Spoke Model” to maximize benefits from minimal resources.

Through Tele-ICUs, we provide expert critical care services to remote areas 24x7x365 using digital technology & innovation.

Asia’s largest Telemedicine company with ICU beds connected to us through Tele-ICU interface. India’s biggest Simulation based healthcare trainings company and have trained more than thousands of Doctors and Nurses across India and Abroad.
