[Big Barn Nature Camp](#) is Bengaluru's premier organic farm and experiential centre, offering immersive learning and nature-based fun for children, families, and educational groups. Located just outside the city near Bannerghatta National Park, Big Barn blends hands-on farming routines, animal interaction, nature trails, and guided workshops. With over two decades of experience, the camp empowers children to become junior farmers, exploring planting, harvesting, and animal care in a safe, certified organic environment. Tailored programs are designed for schools and groups, while families can enjoy farm picnics, tractor rides, and curated adventure activities. Praised for its knowledgeable team, interactive environment, and strong commitment to sustainability, Big Barn combines education, nature, and wholesome fun into one unforgettable [day-outing](#) experience.
