The Indian Public School, [best boarding school in uttarakhand dehradun](#), we believe that education is the most important factor in making human life meaningful. Therefore, we constantly strive to provide the best education possible, while also nurturing, grooming and maximising our students' inherent potential. Priority is always given to initiatives that make learning a pleasurable activity by igniting inquisitive minds. What we are attempting to achieve, is the propagation of human excellence by channelling commitment and raising awareness among the beneficiaries.

Having successfully established what we proudly refer to as the Gurukul of the twenty-first century, we aim to cultivate child prodigies from all backgrounds to serve as productive citizens. Thus, we at The Indian Public School, Dehradun, not only inspire young minds to follow the path of virtue; but, also bring out their innate aptitude, thereby transforming them into the disciplined and sage leaders the world so desperately needs today.
