Acknowledged as a leading [eye hospital in Patna](#), the Vedanta Centre for Ophthalmic Sciences stands out as a well-established center of excellence in the field of eye care. Conveniently situated in the prime location of Patna, this facility spans an expansive 8000 sq. ft. on a single floor, boasting top-notch eye care amenities. Vedanta consistently serves an average of 200 patients daily, providing 24x7 emergency services. The hospital is strategically located on Ashiyana Digha Road, ensuring convenient access through railway, road, and airport, with Patliputra Station (approximately 2 km) and the airport (1½ km) in close proximity.
